

THE ADVENTURES OF DGMAN

Andersons
GOLF PRODUCTS.

Vol. 1, No. 2
No Mower Pick-Up

Joe fills the spreader with a conventional granular fertilizer.

"I hate it when the fertilizer I put down gets picked up when we mow"

TNT ALERT! Someone needs help!

BIP BIP BIP FLIP

He spreads his patented granules.

He waters them in.

"Wow the particles are gone, it's like they melted into the green."

DG Man to the rescue!

Joe is surprised to see him (but also relieved)

"Another save by DG Man!"
